EXPERIENCE

Web Developer Intern ([View Certificate](#))

May 2024 - June 2024

Oasis Infobyte

Remote

- Developed a fully responsive e-commerce website named Forever during my internship, aimed at delivering a smooth and engaging online shopping experience.
- Add-to-cart functionality with real-time cart updates.
- Designed promotional banners and UI components for a modern storefront look.

Web Developer Intern ([View Certificate](#))

April 2024 - May 2024

Codsoft

Remote

- Developed a responsive web-based temperature converter during my internship that accurately converts temperature values from Celsius to Fahrenheit and Fahrenheit to Celsius.
- Intuitive user interface with a clean, modern design.
- Implemented using core web technologies: HTML, CSS, and JavaScript.

PROJECTS

Forever (An E-commerce Website)

Live Demo: <https://forever-frontend-kappa-ashy.vercel.app/>

Github: <https://github.com/weber404/forever-full-stack.git>

- Built a responsive and modular frontend using React, Vite, and Tailwind CSS.
- Developed reusable UI components such as product listings, hero sections, navigation, and footers.
- Deployed via Vercel and maintained a clean, scalable codebase with performance optimization.

Personal Portfolio Website

Live Demo: <https://personal-portfolio-main-sepia.vercel.app/>

Github: <https://github.com/weber404/Personal-Portfolio-main.git>

- Responsive, mobile-first design using Tailwind CSS for modern UI and performance.
- Built with React.js to enable smooth component-based architecture and faster rendering.
- Integrated social media links and downloadable resume section.
