EXPERIENCE

Web Developer Intern ([View Certificate](#))

May 2024 - June 2024

Oasis Infobyte

Remote

- Created an Amazon clone using HTML and CSS, replicating complex layouts and improving UI accuracy.
- Enhanced website performance by 30% through code optimization and clean structuring.

Web Developer Intern ([View Certificate](#))

April 2024 - May 2024

Codsoft

Remote

- Developed and deployed a personal portfolio website using HTML and CSS, showcasing skills and projects for potential employers.
- Successfully implemented responsive design on websites and ensured seamless user experiences across various devices and screen sizes.

PROJECTS

Forever (An E-commerce Website)

Live Demo: <https://forever-frontend-kappa-ashy.vercel.app/>

Github: <https://github.com/weber404/forever-full-stack.git>

- Built a responsive and modular frontend using React, Vite, and Tailwind CSS.
- Developed reusable UI components such as product listings, hero sections, navigation, and footers.
- Deployed via Vercel and maintained a clean, scalable codebase with performance optimization.

Personal Portfolio Website

Github: <https://github.com/weber404/Portfolio-Vishwas.git>

- Designed and built a portfolio website with HTML and CSS following mobile-first principles.
- Highlighted key projects and technical skills, with an integrated resume download option.
- Optimized layout and styling for cross-device performance and accessibility.
